

ARTIST CALL FOR ENTRIES

Artist entries should be digital black line drawings on a white (or transparent) background. We prefer vector line drawings saved as print-ready PDF files, but we will also accept high resolution JPG files at 300ppi. Designs should be sized at 7.5" x 5.5" horizontal or 5.5" x 7.5" vertical in RGB color mode. No bleed area is necessary.

Designs should be family-friendly and should include domestic cats and/or dogs as the primary subject matter. We'd also love to see drawings depicting the bond between humans and their pets, in addition to images of wildlife, and other domestic animal species. Artists are submitting artwork on a volunteer basis and will not be compensated for design work, but please name your files with your first name, underscore, and your last name so that we can credit you on the design. File name should appear as: First Name_Last Name.pdf (E.g. Alexis_Flower.pdf). Please email drawings to Lexi Flower at aflower@rvspca.org. If the file is too large to email, please use wetransfer.com to upload the file to aflower@rvspca.org.

Thank you so much for your participation! We will let you know if we have included your artwork in our Shelter Squad books and we look forward to seeing your designs!
