

Pet Patron PLEDGE

Thank you for your interest in becoming a Pet Patron!
This is an exciting opportunity to help our shelter pets
through sponsorship.

The Roanoke Valley SPCA Pet Patron program is an automatic monthly giving program and is the easiest way to support our mission. When you become a Pet Patron, your consistent stream of support allows us to care for the animals that enter our shelter and offer them a second chance at a better life.

In recognition of your support of \$20 or more per month, you will receive:

- **Personal recognition on the Pet Patron "Giving Tree" in our lobby**
- **Roanoke Valley SPCA Supporter Window Cling**
- **Recognition in the Roanoke Valley SPCA Annual Report**

Your monthly sponsorship will provide food, medical attention, spay/neuter services, microchipping, and shelter necessities for a pet in our care until he or she finds their new home. Thank you!
